

Fall 2003 Grant Awards

Economics Club Honoraria (\$200)

Mary Grabianowski (ZCHS)

The ZCHS Economics Club will use this grant to provide Honoraria to speakers that expand students' knowledge in the field.

Capture the Action: Purchasing a Canon Digital Rebel (\$2,957.97)

Lori Wilken (ZCHS)

This grant went toward the purchase of a digital camera for the ZCHS yearbook and newspaper classes.

The Exterminator-Solving our rodent problem (\$374.75)

Lori Wilken (ZCHS)

ZCHS publication's lab used this grant to purchase 25 optical mice for computers that assist with design for school publications.

Making Math Magic (\$241.04)

Tonya Donnelly and Sherry Hyslop (PVLE)

The purchase of math manipulatives and learning games with this grant helped improve math skills for students at Pleasant View Lower Elementary.

Forensic Science Digital Data (\$978.08)

Cynthia King (ZCHS)

With this grant, ZCHS purchased five digital cameras for its forensic science course.

Growing Future Success for Plants and Students in Special Ed (\$1,563.21)

Greg Knollman and Barbara Burkhardt (ZCHS)

This grant provided for the purchase of a mobile indoor growth lab and materials for students with mild or moderate cognitive disabilities.

Milestones Reading Series (\$651)

Debbie Andrus (Union)

This grant purchased Milestone Reading Books and workbooks for students with reading difficulties.

Publishing Pals (\$947.12)

Emily Wleklinski (ZMS) and Jennifer Skura (Stonegate)

Students at Stonegate Elementary team up with students at Zionsville Middle School and work together to coauthor and illustrate hardbound books published by a professional publishing company.

Forest Rendezvous (\$450)

Deborah Milam and Vicky Tuder (Union)

This grant provides for a culminating activity for students at Union Elementary after completing a month-long rainforest unit.

Conscious Classroom Management (\$3,000)

Peggy Buchanan (All ZCS schools)

All teachers in the ZCS district attended a lively, fun, and interactive workshop that gives K-12 teachers practical solutions for successfully managing their classrooms.
